WELCOME TO KINDERGARTEN

Drop In for Parents with their New Kindergarten Child for September 2025.

Wednesday, April 30th from 6pm-7pm at CP Blakely School.

Parents and their child(ren) who will be kindergarten age (five years old prior to January 1, 2026) are invited. This is an activity-based evening, therefore we ask that parents and only the child entering kindergarten attend. The children will be taking home "Welcome to Kindergarten" bags.

Parents are encouraged to register their children for kindergarten in advance. The link for registration is on the CP Blakely website and below.

Birth Certificates are required for registration. Please phone the school at 403-887-3570 if you require more information.

WELCOME TO KINDERGARTEN REGISTRATION OPEN 2025-2026

Beginning in January, Chinook's Edge will be accepting Kindergarten registrations for the 2025-2026 school year. Please attach birth certificate as it is required.

Children must turn five years old by December 31, 2025 to begin attending Kindergarten in the Fall of 2025.

Please visit our website at
[CESD Kindergarten Registration](#)

CP Read-A-Thon Fundraiser

For the month of April, students and staff will be participating in a Read-A-Thon Fundraiser. Everyone is encouraged to read 15 minutes per night. These minutes will be tracked in a log book. For every 15 minutes read, a ticket will be earned to enter into a raffle for various prizes. A log book will be sent home with the pledge sheet attached on the back. Three teams will compete for the most minutes read!

Parent Council Meeting

The next Parent Council Meeting will be on

Thursday, April 3rd @ 6pm

CP Blakely School

Everyone Welcome!

SPRING BREAK

Spring Break is
April 21st -25th.

Classes resume
Monday, April 28th.

Reminder: Any students who are riding bikes, scooters or skateboards to school must wear a helmet. It is the law.

2025-2026 School Year

- Please let the Office know if any of your contact information has changed or if you have moved or are moving. This information helps to make our class numbers more accurate.
- Parents - if your child is continuing at CP Blakely School you do not need to fill out a School Engage 25-26 registration form. Please wait and fill out the 25-26 Re-Enrollment & Consent form that will be sent out at the end of August.
- The Office would appreciate if parents could fill out the 25-26 Re-Enrollment & Consent Form as soon as it is received in August. Thank you!
- Grade 6 Parents: Please do not fill out a School Engage 25-26 registration form to have your student attend Fox Run School. Please wait and fill out the 25-26 Re-Enrollment & Consent form that will be sent out at the end of August.
- If you know any families who are moving to Sylvan Lake during the summer months who have school aged children, please have them call the school as soon as possible to ensure that we are prepared to meet the needs of the students who arrive at our school in September.

Information About Measles

Parents, Guardians, School Staff and Volunteers

Measles cases are increasing globally, with numerous countries and travel destinations reporting outbreaks including the United States, Europe and Canada. So far in 2025, Canada has seen a significant increase in measles cases and a number of jurisdictions have reported measles outbreaks. Cases of measles have been reported in New Brunswick, Ontario, Quebec, British Columbia, Manitoba and most recently, Alberta.

There are no confirmed measles cases at your school at this time; however, it is important that parents are aware of the risk and are supported by Alberta Health Services (AHS) Public Health.

Measles Illness

Measles is very contagious and is easily spread through the air. Some people who get measles can have serious health problems. In rare cases, measles can lead to death.

Measles is a viral illness. Symptoms include fever, cough, runny nose, red eyes, and a blotchy rash. Symptoms usually start 8-12 days after exposure but can take as long as 21 days to appear.

Measles may cause complications including ear infections, pneumonia, seizures, or inflammation of the brain. Complications are more common among children under five years and people who are pregnant or immunocompromised.

A person with measles symptoms should stay home, avoid contact with others, and call Health Link at 811 before visiting any healthcare facility or any healthcare provider.

Protection against Measles

The best protection against measles is to get immunized. Measles vaccines are highly effective.

In order to be adequately protected against measles, individuals born in or after 1970 need two documented doses of measles-containing vaccine.
